Small Group Questions

1. What comes to mind when you hear about the book of Revelation?

2. Why is this book so difficult for modern Christians to read and reflect on?

3. What is the setting for the book?

4. How does the book of Revelation invite the reader into a deep worship of God? Why do humans need to be invited/reminded to worship God?

5. Kyle mentioned a few Scriptures that were either songs or blessings. Which Scriptures were they? Reflect on each of them and ask, "How does this passage expand my praise of God?"
